Large Format Platen Press

AIT 1600

AIT 1600 SERIES

The **AIT Model 1600** is a fully-automatic, large-format heat transfer printing system specifically designed for dye sublimation printing of flags, banners, carpet tiles, ceramics, wood, plastics, and cut-apparel parts. The heated upper platen automatically indexes from one station to the other. The multi-zone heat control and hydraulic pressure system provides consistent quality. The Model 1600 is Safety Certified and meets all EC safety and efficiency standards.
